La Forza Del Destino
Met 1968

Dear Purchaser,

We greatly regret that the *Forza* set you obtained has an unacceptable defect in the final scene of the opera. There was a gap in the concluding applause and our fill-in for it was on a second track. Unfortunately, this track floated back under Price's singing during final work without our knowledge. The corrected disc (CD-2) is provided and with it comes our apologies.
