GÖTTERDÄMMERUNG Act II

Covent Garden 1938 – Leider, Melchior, Furtwängler

In our recent release (2012) Ludwig Weber and Wilhelm Schirp alternated as Hagen in the Covent Garden performance. We were missing the last six passages sung by Weber before the concluding trio; these were taken from the Schirp performance. *The passages have now been restored to Weber.* Schirp is only heard during a one-minute passage in the final trio.
