

IMMORTAL PERFORMANCES

October 28, 2012

Wagner
TRISTAN UND ISOLDE
ACT III COMPLETE

Lauritz Melchior, Göta Ljungberg, Herbert Janssen
Ivar Andresen, Genia Guszalewicz, Peter Klein

This disc has been remastered to remove excess surface noise in the *Liebestod*, while not affecting the overtones. Some work has also been done to re-balance the fortissimi passages. We trust you will find this to be more enjoyable.
