Tristan und Isolde
Metropolitan Opera 1943

(IPCD 1102-3)

REMASTERED CD 2

A note from the Sound Engineer

We recently heard an overlooked scratch that mars a passage in King Marke's Act 2 soliloquy. We don't know how this occurred and we greatly apologize for providing a set with such a defect.

A newly mastered version without this defect will be sent to you *gratis*.

Thanks to all for the patience given us for our occasional errors.
